Trustee's notice to Shareholders regarding possible SPAM Filtering

The undersigned, the Trustee of CCS Liquidation Trust Inc. (jointly "the SPV" or "the Trust"), has received inquiries from shareholders who were due to receive their voting password, stating that the emails originating from `trustee@universum.icu` are arriving in their SPAM or Junk Mailbox. The affected accounts appear to be those with either "hotmail.com" or "yahoo.com" servers or any similar free email service provider.

We remind shareholders that all personal and contact information related to the registered shares must remain current and valid at all times, especially email addresses authorized to issue instructions related to the Trust.

We encourage all shareholders to report any anomalies regarding filtering to your email service provider, to whitelist the official trustee address `trustee@universum.icu` on your email client and to routinely check your SPAM folders to verify if you have received communications from the undersigned.

If you have shares but you seem to not have received any emails from us regarding the voting procedure or updates, and if after reviewing your SPAM folder you have no email from the Trustee, please contact us at `trustee@universum.icu` from your registered email address.

If you have additional questions please contact us at trustee@universum.icu from your registered email address.
